

Our Journey To Good Health Begins With A Single Step

Dear Future Patient,

Welcome to Summit Holistic Medicine. We look forward to meeting with you at your first office visit.

Enclosed you will find new patient paperwork. Please take some time before your visit with us to fill it out to the best of your ability and be sure to return the paperwork to Summit Holistic Medicine prior to your first appointment. We will use the intake form as a guide throughout your first office visit.

In addition, please bring a copy of any recent lab work you have in your possession. We will send out a medical records release request to your other practitioners for any other information we need after your appointment. We would also like you to bring any supplements or prescription medications that you are currently taking or have taken within the past 6 months.

It is important to note that we have a “no scents” policy at the office. Some of our patients suffer from chemical sensitivities. Perfumes, strongly scented lotions, cigarette smoke or hair products may set off their symptoms should their visit follow yours.

Please be aware all office visit, lab and supplement fees are due at the time of service and/or pick up. If you have health insurance that covers Naturopathic Specialist services we are happy to provide you with a reimbursement form for your visit. To verify coverage please call your insurance company and confirm benefits prior to your first appointment. We have included an Insurance Benefits Checklist for you to use while speaking to your insurance company in order to make sure you gather all pertinent information about your coverage. Some plans require prior authorization through a referral. For those plans that require referrals, we must receive your referral prior to your first office visit in order for reimbursement to be processed. Also included in this packet, is a Patient Financial Responsibility Waiver that needs to be completed. As the form states, you will be responsible for any service or lab fees that insurance does not cover. **These forms need to be completed and returned to us by fax, mail or email prior to your appointment.**

Should you need to cancel this appointment or any future appointments, please be aware of our **48-hour notice cancellation policy**. We request you call the office at least 48 hours prior to your scheduled appointment time if you are unable to make your appointment. As you can imagine, “no shows” or last minute cancellations can be very burdensome to our practice. If you know you cannot make an upcoming appointment, the office encourages you to call as soon as possible so that we may use your appointment slot for another patient who may be waiting to get in to see us. All patients who do not show up for a scheduled appointment or do not cancel outside of this 48 hour window will be charged the scheduled visit fee.

Please feel free to reach us at the office if you have any questions prior to your visit. We look forward to working with you on your path to greater health!

We are pleased to assist with your insurance. As advocates for our patients, we will make every effort to access the maximum benefits allowed under your third party payer contract ("insurance"). As a patient of **Summit Holistic Medicine, LLC** you will receive treatment that is specific to the problems that are noted during your initial visit. We will assist you in obtaining reimbursement from your third party benefits payer ("insurance" and/or other entities involved in your financial health services) for part of this responsibility. If you do not have third party coverage we will gladly discuss other available options.

1. FINANCIAL RESPONSIBILITY: I understand that I am personally responsible for any medical fees I incur at **Summit Holistic Medicine, LLC**. I also understand that I will be responsible for any charges incurred by not providing the most current, correct insurance information to **Summit Holistic Medicine, LLC**.
2. I understand that **Summit Holistic Medicine, LLC** has a 48-hour cancellation policy. If I do not cancel my appointment within 48 hours of the scheduled time, I understand that I will be responsible for the full scheduled visit fee. **Summit Holistic Medicine, LLC** cannot provide a reimbursement form for unattended appointments.

I understand that my insurance benefits may have an "allowed amount" for each visit, which is determined by the benefit contract I have with my insurance company and does NOT always equal the doctor's fee. While I am responsible for the fees associated with my medical care at Summit Holistic Medicine, I understand that my insurance may pay a percentage of the "allowable," and may not cover the entire fee accrued at each office visit. All fees are due at the time of service. Insurance reimbursement forms will be provided at the conclusion of each visit with Summit Holistic Medicine.

I understand I am financially responsible for services received from Summit Holistic Medicine, LLC.
