Our Journey To Good Health Begins With A Single Step

Dear Future Patient,

Welcome to Summit Holistic Medicine. We look forward to meeting with you at your first office visit.

Enclosed you will find new patient paperwork. Please take some time before your visit with us to fill it out to the best of your ability and be sure to return the paperwork to Summit Holistic Medicine prior to your first appointment. We will use the intake form as a guide throughout your first office visit.

When returning your new patient paperwork to our office, it is important to include a copy of the front and back of your insurance card file if you plan to use insurance to cover your visit fees.

Please send/bring a copy of any recent lab work you have in your possession. A medical records release request will be sent to your other practitioners for any other information we need after your appointment. Please bring any supplements or prescription medications that you are currently taking. If this is a telehealth appt, it will be important to have the supplements and medications nearby during our web-based appointment.

It is important to note that we have a "no scents" policy at the office. Some of our patients suffer from chemical sensitivities. Perfumes, strongly scented lotions, cigarette smoke or hair products may set off their symptoms should their visit follow yours.

All co-pays, office visit, lab and supplement fees are due at the time of service and/or pick up. If you have health insurance that covers Naturopathic Specialist services, we will bill insurance for your visit. Please be certain to call your insurance company and confirm benefits prior to your first appointment. We have included an Insurance Benefits Checklist for you to use while speaking to your insurance company to make sure you gather all pertinent information about your coverage. For plans that require referrals, we must receive your referral prior to your first office visit for our office to bill insurance for you. Harvard Pilgrim requires a referral for all the HMO plans. There is a Patient Financial Responsibility Waiver included in this packet which needs to be completed as well. As the form states, you will be responsible for any service or lab fees that insurance does not cover. **These forms need to be completed and returned to us by fax, mail, or email prior to your appointment.**

Should you need to cancel this appointment or any future appointments, please be aware of our **48-hour notice cancellation policy.** We request you call the office at least 48 hours prior to your scheduled appointment time if you are unable to make your appointment. As you can imagine, "no shows" or last-minute cancellations can be very burdensome to our practice. If you know you cannot make an upcoming appointment, the office encourages you to call as soon as possible so that we may use your appointment slot for another patient who may be waiting to get in to see us. All patients who do not show up for a scheduled appointment or do not cancel outside of this 48 hour window will be charged the scheduled visit fee.

Please feel free to reach us at the office if you have any questions prior to your visit. We look forward to working with you on your path to greater health!

We are pleased to assist with your insurance. As advocates for our patients, we will make every effort to access the maximum benefits allowed under your third party payer contract ("insurance"). As a patient of **Summit Holistic Medicine, LLC** you will receive treatment that is specific to the problems that are noted during your initial visit. We will assist you in obtaining reimbursement from your third party benefits payer ("insurance" and/or other entities involved in your financial health services) for part of this responsibility. If you do not have third party coverage we will gladly discuss other available options. The following is a statement of our financial policy, which we require that you read and agree to prior to any treatment.

1. It is your responsibility to know your own insurance benefits, including whether we are a contracted provider with your insurance company, your covered benefits and any exclusions in your insurance policy, and any preauthorization requirements of your insurance company.
2. We will attempt to confirm your insurance coverage prior to your treatment. It is your responsibility to provide current and accurate insurance information, including any updates or changes in coverage. Should you fail to provide this information, you will be financially responsible.
3. If we have a contract with your insurance company we will bill your insurance company first, less any copayment(s) or deductible(s), for the date of service and then bill you for any amount determined to be your responsibility. This process generally takes 30-60 days from the time the claim is received by the insurance company.
4. Please understand some insurance coverages have Out-of-Network benefits that have co-insurance charges, higher co-payments and limited annual benefits. If you receive services that are part of an Out-of-Network benefit, your portion of financial responsibility may be higher than the In-Network rate.
5. If we do not contract with your insurance company, you will be expected to pay for all services rendered at the end of your visit that day. If you would like to attempt reimbursement on your own, we will provide you with a statement that you can submit to your insurance company.
6. Proof of payment and photo ID are required for all patients. We will ask to make a copy of your ID and insurance card for our records. Providing a copy of your insurance card does not confirm that your coverage is effective or that the services rendered will be covered by your insurance company
7. I understand that **Summit Holistic Medicine, LLC** has a 48-hour cancellation policy. If I do not cancel my appointment within 48 hours of the scheduled time, I understand that I will be responsible for the full scheduled visit fee. **Summit Holistic Medicine, LLC** cannot bill insurance for unattended appointments.

I understand I am financially responsible for services received from Summit Holistic Medicine, LLC.
